

Leaping Into Leadership

Are you a new or emerging leader looking to make your mark and take your leadership skills to the next level?

Prepare to ignite your potential with Coaching College's award winning "Leadership Leap: Courageous Leadership in Action" program – an immersive, one-day experience facilitated by leadership expert coach Denise Archie.

This transformative program goes beyond traditional training methods, providing a dynamic, experiential and scenario-based approach to learning. Through hands-on exercises and real-life simulations, you'll confront the challenges that leaders face in today's fast-paced business world, giving you the opportunity to develop your decision-making, communication, critical thinking, problem-solving skills and decision making. While at the same time practising your influencing and negotiation skills.

"Leadership Leap" recognises the importance of personal branding in effective leadership. We'll help you craft and enhance your personal brand, enabling you to communicate your unique value proposition and inspire others to follow your lead. Discover the power of building an authentic and influential leadership presence from the results of your Leadership Principle Profile's self-assessment.

Learning Outcomes:

- Report on your results of the pre-work Leadership Principle Profile
- Personal leadership branding
- Techniques to navigate complex relationships
- Enhance your ability to resolve team conflicts
- Empowering you to effectively influence outcomes and negotiate win-win solutions.
- Engage with like-minded peers, exchange ideas, and build a network of valuable connections
- Enhance your confidence and adaptability to 'Leap into your leadership' Brand
