Act 2: Framing Up

- Discover how to structure your sessions for lasting results:
- Frame objectives clearly and effectively
- Leverage resources to support learning
- Build rapport and create ownership within the group
- Use advanced techniques like NLP and accelerated learning principles

Act 3: Activities & Templates

- Turn ideas into action with ready-to-use strategies:
- Energizing icebreakers and group activities
- Templates to design your own materials
- Tools for convergent and divergent thinking
- Storytelling and metaphor techniques for impact
- Debriefing, feedback, and closing methods that leave a lasting impression

Who Should Attend?

This course is ideal for:

- Trainers with 3+ years of experience
- Facilitators looking to elevate their skills
- Leaders navigating complex business problems
- Anyone ready to transform meetings, workshops and trainings into powerful experiences

Why Facilitation Matters

Facilitation isn't just managing a session, it's about creating an environment where every voice is heard, ownership is built and transformation happens. You'll leave this program with the skills to:

- Engage and inspire your participants
- Collaboratively solve complex challenges
- Deliver training that sticks
- Lead groups with confidence and authority

Program Snapshot

- 2 days of immersive, on-your-feet learning
- 3 Acts: Toolkit • Framing • Activities & Templates
- Hands-on, practical and designed for action learning

Learning Outcomes

By the end of this program, you will:

- Understand the difference between facilitation, Coaching and Training
- Enhance your unique facilitation style
- Master tools for strategic planning and decision-making
- Build trust, rapport and group ownership
- Confidently deliver sessions that inspire and transform
